

The Turfgrass Walk of Fame Has Added Another Star.

TIF GRAND™

CERTIFIED BERMUDA

TifGrand is the world's first and only *sterile triploid* Bermudagrass for shade! It thrives in 60% to 70% shade with Superior quality in full sun. This attractive, dense turf, with dark green blade features reduced nutrient (N) and water inputs, spreads by stolons and rhizomes, exhibits excellent tawny mole cricket resistance and is the newest Tifhybrid series member from the world-renowned UGA turf breeding program.
